## CITY NEWS.

Notice to Subscribers in Central Ken-  
tucky.

In view of the temporary suspension of the  
trains on the Louisville and Frankfort and  
Frankfort and Lexington railroads, consid-  
erable inquiry has been made as to whether the  
mail along the line of the road, and in the  
interior, would be suspended.

We learn from the postmaster that the  
mail matter for Frankfort and Lexington, and  
intermediate points, will be forwarded by  
stage; and that for points above and below  
Lexington, will be sent via Cincinnati.  
Mails off the line of the road, and cross-mails,  
will, as far as possible, be supplied by special  
carriers, appointed for that purpose. This in-  
terruption will not long continue. We shall  
use every endeavor to speed our paper to sub-  
scribers along the line and throughout the  
country through which the regular facilities  
are for the time suspended.

On and after October 1st the postoffice  
will open at 7 1/2 A. M. and close at 6 1/2 P. M.  
The box-delivery will be open as usual until  
9 P. M.

## TERMINAL EXPLOSION—TWO LIVES LOST.

On Sunday morning, about 10 o'clock, a per-  
cussion shell in a cask of Battery I, of the  
First New York Battery, exploded at the cor-  
ner of Sixth and Main streets, instantly killing  
one man and seriously wounding another.  
The battery was passing down Main street,  
and when near the intersection of Sixth, the  
shell exploded, throwing the two men who  
were riding on the box a number of feet. One  
of them, Geo. Barbour, of this city, a govern-  
ment testmaster, was instantly killed, and the  
other, John P. J. corporal of the battery, was  
so badly wounded that he died yesterday  
morning at 10 o'clock. The force of the ex-  
plosion broke all the windows in the three  
and four-story buildings on both sides of the  
street. The loss by the breaking of glass  
alone will amount to nearly \$1,000.

FUEL.—This is beginning to be a subject  
of the most exciting nature. It is evident  
that something must be done. It will not do  
for a whole city to sit down patiently and  
freeze. It can not be brought here, wood  
must be brought. We have railways running  
through forests, and they must bring wood.  
"Military necessity" may for a short time in-  
terfere with the bringing of wood on the  
Nashville and Lexington roads; but what is  
to prevent the Jeffersonville road from fur-  
nishing relief? There is no use in wasting  
words about it—the thing will have to be  
done, and measures should be taken imme-  
diately. Let the City Council see to it.

REUNIONS.—On Sunday morning two  
horses attached to a hack took fright and  
dashed down Green street at a rapid rate.  
They were brought to a halt at the corner of  
Fourth street, without any damage being  
done. On Sunday afternoon, a little after six  
o'clock, a horse attached to buggy, in which  
two gentlemen were riding, became unman-  
ageable and ran off. Down Green street he  
came at a killing rate, until reaching the cor-  
ner of Second street, the buggy struck the  
curb-stone and was upset, throwing both oc-  
cupants in the street with great force. One  
of the party, whose name we did not learn,  
was considerably bruised.

THE FEAST OF THE TABERNACLES.—To-day  
closes the Feast of the Tabernacles, which has  
been celebrated by those of the Hebrew faith  
throughout the country, in commemoration  
of the children of Israel leaving their tents.  
The feast commenced last Sunday, and will  
end at 6 o'clock to-day. This being the last  
day of the feast, it will be observed as a day  
of rejoicing and thanksgiving, for this is the  
day upon which the reading of the scroll is  
finished and commenced anew.

SERIOUS ACCIDENT.—Wm. Warriner, a train  
boy on the Louisville and Nashville railroad,  
was killed yesterday under the following cir-  
cumstances: He was passing from the pas-  
senger to the baggage car, and looking out, his  
head came in contact with a water tank. The  
force of the train caused the breaking of his  
neck, and he fell from the train a corpse. His  
body was brought to this city last night on  
the train.

The Board of School Trustees held  
their regular meeting at the Council chamber  
last night. They passed a resolution giving  
to John Hebel the contract for making the  
engagement to the land property lately pur-  
chased by the School Board. The price to be  
paid for the improvement is to be \$3,000. The  
Board adjourned to meet again next Monday  
night.

We understand that a man keeping a  
bar on the upper end of Jefferson street has  
been arrested on the charge of selling liquor  
to soldiers. He will have a hearing before the  
military authorities. There is a stringent  
order against selling liquor to soldiers, and  
we hope that this order will be strictly en-  
forced, as we will then hear of fewer com-  
plaints about the outrages of soldiers.

The Board of Directors of the Water  
Company met yesterday afternoon for the  
purpose of electing a President for the ensu-  
ing year. Alfred Harris, Esq., under whose  
management the business of the company,  
from its inception to the present time, has  
grown and flourished, was re-elected, one vote  
only being given against him.

UNIVERSITY OF NASHVILLE.—We call the  
attention of readers to the announcement of  
the medical department of the Nashville  
University. The fall lectures commence on  
the first Monday in November. The character  
of this department of the University and  
the able faculty will doubtless command the  
attention of students.

The city was in a panic for coal yester-  
day. There is none in this market for sale.  
Some parties went to New Albany for a sup-  
ply, but all the coal in that place, we pre-  
sume, would not keep the people here sup-  
plied one week.

THE LOUISVILLE LEIGHS.—This gallant reg-  
iment went into the recent fight at Chicamauga  
three hundred and fifty-three strong, and  
came out of it with two hundred and thirty-  
nine. This includes killed, wounded and  
missing.

Pat Dillon was elected to the Board of  
Aldermen at the special election held in the  
eighth ward yesterday. Mr. Standiford, his  
opponent, withdrew at 10 o'clock in the morn-  
ing, leaving the track to Mr. Dillon.

At the meeting the School Board last  
night, the afternoon of Tuesday and Wednes-  
day were set apart as holidays, to give the  
pupils of the schools the privilege of attend-  
ing Mable's menagerie.

BOARDING.—Law students desiring board  
while attending the law lectures can be ac-  
commodated by applying to the law profes-  
sors.

Mr. Carr, the clever messenger of Ad-  
ams Express Company, has our thanks for  
Nashville papers ahead of the mails.

## Jefferson County Court.

ANDREW MONROE, Judge.

MONDAY, October 5.

Commonwealth by Ann Morris vs. Metcalf;  
rule continued one week.

James Finley, guardian of Margaret Fair-  
fax, allowed to expend \$254 of the principal  
of his ward's estate.

Inventory of the estate of John Benty filed  
for record.

The will of Dr. Robert Teetes was proved  
and admitted to record.

Robert Ferguson qualified as executor of  
A. G. Schmidt, Wm. Schmidt surety.

John Schardin renewed his license for  
tavern on the Oakland plankroad.

S. Wigninton filed petition for tavern license  
in Jeffersontown.

The court appointed G. T. Bergman sur-  
veyor of Jefferson county, who gave bond,  
with J. F. Speed security.

W. A. Ronald, sheriff of this county, re-  
ported the collection of \$30,000 revenue up  
to 1st October.

Theodore Hollenkamp appointed guardian  
of Henry Wessendorf, Theodore Doelman  
security.

J. M. Maury appointed surveyor of the  
road from Mill creek to Cane Run road.

Peter Pfeiffer appointed guardian of Jose-  
phine and Barbara Stangell, Jacob Zin security.

The regular docket term of the Jefferson  
County Court commences to-day, the 6th.

MABLE'S MENAGERIE.—This grand insti-  
tution opened yesterday afternoon on the cor-  
ner of Walnut and East streets, attracting a large  
and fashionable audience. The collection of  
beasts and birds is very extensive and varied,  
containing rare specimens from every clime  
and country. The performing elephants are  
a really wonderful pair, doing all that the  
bills lay down—and even more. It is astonishing  
that animals that have so little intercourse  
with man could be taught to obey his will so  
implicitly. The arrangements for the comfort  
and for the gratification of the curiosity of  
visitors are most ample and effective.  
Very polite and intelligent keepers are prompt  
in their attendance upon those desiring in-  
formation about the exhibition. The ages and  
habits and history of the various animals is  
cheerfully explained, and nothing is wanting  
to make patrons feel that Mr. Mable is deserv-  
ing of the success that is crowning his efforts  
to please the public. There will be afternoon  
and evening exhibitions to-day, commencing  
at 2 and 7 o'clock.

DRUGS AND MEDICINES.—We would ask  
the attention of city and country readers to  
the card, in another column, of the old estab-  
lished house of Messrs. J. S. Morris & Sons.  
This old house ranks first amongst our oldest  
drug firms, and now, as in former times, keeps  
a large and carefully selected stock of drugs  
and medicines, paints, oils and dye stuffs of  
all kinds, as well as a varied stock of all the  
old and standard medicines. Their house is  
one of the largest in the city, and dealers  
can at all times, by calling at their store,  
No. 428, south side Main street, between  
Fourth and Fifth, find every thing wanted  
in the drug line, and as low as the same  
goods can be found at any other house.  
Messrs. J. S. Morris & Sons are honorable and  
fair dealers. Thousands of their customers  
will testify to their promptness and their  
good business capacity. We cordially recom-  
mend them and their house to dealers and all  
who sell goods in their line.

We have received a list of the appoint-  
ments of the "Louisville Conference" which  
met at Glasgow on the 24th inst., which will  
be published in our afternoon edition. The fol-  
lowing are the appointments for the Louis-  
ville district: Thos. Bottomly, P. E.; Brook-  
street, Dr. W. H. Anderson; Jackson-street,  
(colored), to be supplied; Walnut street,  
George W. Brush; Eighth-street, Dr. J. H.  
Linn; Center street (colored), to be supplied;  
Shelby-street, James H. Owen; Twelfth-street,  
Dr. C. B. Parsons; Portland, J. L. Edgerton;  
Bethel, Wm. Holman; City Mission, L. B.  
Davison; Middletown, J. P. Goodson; Jeffers-  
onton, Richard Desiring; Louisville Circuit,  
Robert Fisk; Salt River Mission, C. Y. Boy-  
ges; A. H. Redford, Book Agent; E. W.  
Schon, Missionary Secretary; James H. Bris-  
ton, Chaplain U. S. A. These preachers will  
occupy their pulpits on Sunday, and assume  
their pastoral charge at once.

NEW TOBACCO AND OLD.—Four hogheads  
of new tobacco were sold yesterday by  
Messrs. Spratt & Co., at the very satisfactory  
prices of \$13, \$12.25, \$14 and \$16. They were  
grown by and belong to Mr. Wm. T. McKay,  
one of the most enterprising planters of that  
great tobacco country—Davies County, we  
believe, had the honor of sending the first  
hoghead to market last year, but "old Davies"  
is not only the first of this year, but is  
some two weeks ahead of any other previous  
time. All honor to "old Davies" and her en-  
terprising planters, say we.

Nineteen hogheads of old tobacco were  
sold yesterday at the handsome average of  
\$17 10 per 100 pounds. One hoghead of Hart  
county tobacco was purchased by Messrs.  
Robinson & Co., manufacturers of this city,  
for \$33 50 per hundred.

POLICE PROCEEDINGS.—Monday, October 5.—  
Jacob Serf, assault and battery; waived ex-  
amination and gave bail in \$100 to keep the  
peace.

Grand Jury order for October 13th.

James Divine alias Charles Smith, charged  
with stealing some \$27 from a puny and deli-  
cate man, a refugee from Alabama; held in  
\$400 to answer at the Circuit Court.

John F. Williams, stealing a horse and  
routage from Mr. Kelly, of the postoffice; sent  
to Major Farris.

INQUEST No. 149.—Held October 5th, 1863,  
at the corner of Seventh and Jefferson streets,  
on the body of George Burroughs, aged 21 years.  
Verdict—Came to his death at or about 10  
A. M., October 4th, 1863, at the corner of Sixth  
and Main streets, from injuries caused by the  
accidental explosion of a Hotchkiss shell in a  
cabinet chest on which he was riding.

JAS. C. GILL, Coroner J. C.

A letter has been received in this city  
from a member of the Fifteenth Kentucky  
regiment, which regiment was engaged in the  
late battle of Chickamauga, which states that  
the total loss of that regiment was 39 killed,  
wounded and missing. The second sergeant  
of company A was killed.

LOUISVILLE THEATRE.—The Sir John Falstaff  
of Mr. Hackett last night was the finest piece of  
acting that we have had the pleasure of wit-  
nessing for some time. To-night "King  
Henry IV" will be reproduced, Mr. Hackett  
sustaining his unequalled character of Falstaff.

W. H. Ehrlich, the famous news-dealer  
at the corner of Third and Main streets, has  
our thanks for Cincinnati papers. Mr. Ehr-  
lich keeps constantly on hand all the Eastern  
dailies, besides all the pictorials and month-  
lies published in the country.

We have received a communication on  
the subject of supplying Louisville with fuel  
from her own coal fields, and the necessity of  
building a branch road to reach the rich mines  
in Breckinridge county. It shall appear to-  
morrow.

WOOD'S THEATRE.—The play of "Wake not  
the Dead" was produced at Wood's last night in  
a highly satisfactory manner. The great  
illusion of the ghost was brought forth in  
fine effect. The piece will be repeated to-  
night.

The recent coal snap has had the effect  
to create considerable alarm on the fuel ques-  
tion. Let our people hereafter guard against  
such contingencies by laying in sufficient fuel  
in season.

## LOCAL NOTICES.

The attention of our readers is called to  
Mr. G. W. Chatfield's advertisement of sale  
at auction rooms this morning at 10 o'clock.

MORE VICTORIES.—The Grover & Baker  
sewing machines seem to be carrying off the  
palm at all the State Fairs this fall. In ad-  
dition to the numerous triumphs already an-  
nounced, they have just been awarded the

full assortment always on hand, at J. S. Mor-  
ris & Sons.

USE PREVENTIVES.—At this season of the  
year, when miasmatic diseases prevail, it is  
an alarming extent, preventive remedies  
should be used to guard against attacks, and  
the best remedies should be employed. Lyons  
pure Catapla Brandy, manufactured from the  
Catawba grape, and the Greenberg Health  
Bitters, are very pure and excellent remedies,  
and may be had at the store of Raymond &  
Tyler, on Fourth street, near Main.

New styles Scotch cas-  
simer business suits at  
Scott, Keen & Co.'s, cor-

The undersigned would take this op-  
portunity to apologize to their numerous  
friends and patrons for the delay and con-  
sequent disappointment occasioned them by  
our inability to fill our orders as promptly as  
we could desire. Having completed our ar-  
rangements and increased our facilities, we  
now prepare to furnish them with the

est premium has been awarded for the Wheel-  
er & Wilson Sewing Machines at the World's  
Fair, recently held in London, England, with  
all other sewing machines in competition.  
This result was not unexpected, of course, but  
is still highly complimentary to American  
genius, and a triumph more noteworthy con-  
sidering the public sentiment in England.  
This marked recognition of this machine not  
only adds to its prestige, confirming, as it does,  
the numerous awards here, but should satisfy  
the public that it is the best machine done.  
Wheeler & Wilson's is the machine to do it.
